

VILLAGE OF SAN JOSE
CLOSED SESSION SPECIAL BOARD MEETING
April 17, 2017

Entered into closed session per 5ILCS 120/2 (c) (2) @ 8:10pm

Skelton stated that the budget did not allow for any raises except to Joey Larmore. Skelton budgeted for Larmore to go to \$12.50 per hour which reflects a 50 cents raise.

It was stated that Larmore had been given a 50 cent raise at the time of B. McCormick's departure and was to be taken up another 50 cents after 90 days if he proved himself.

Recommendation was to go ahead with this raise, since it has already been approved in an earlier meeting.
