

VILLAGE OF SAN JOSE  
CLOSED SESSION SPECIAL BOARD MEETING  
March 20, 2017

Entered into closed session per 5ILCS 120/2 (c) (2)(5)(14) at 7:55 pm

The recommendation was for Ben McCormick to receive \$21 and hour up to 20 hours a month, hours over 20 should be approved by any board member. Ben McCormick needs to keep track of his phone bill to be compensated for it.

Nolan stated that the last couple of weeks the phone calls haven't been bad but prior to that it was quite a few.

We need to get another worker that isn't full-time, but is either PT or PRN. There is a culvert job coming up that Joey will need help with. There was discussion about different names of who have applied for the job.

There was a discussion about Coon being the consultant and it was recommended that Coon not be paid for consulting after the election, therefore April will be the last month for it to be paid.

Closed Session ended 8:05pm
