

VILLAGE OF SAN JOSE
CLOSED SESSION COMMITTEE MEETING
JANUARY 30, 2017

Entered into closed session per 5ILCS 120/2 (c) (5)(2) At 7:35PM – 7:45PM

McCormick informed the Committee that Austin Johnson does get to receive pay for his schooling hours. Reason being, because he was hired at full-time, if he would have been hired at part-time and then went to school we wouldn't of had to pay this.

McCormick has went back through all records and has determined that this effects the following people;

- Cody Godbey for 40 hours @ \$13 per hour
- Alex Hill for 480 hours @ \$8.25 per hour
- Austin Johnson for 480 hours @ \$8.25 per hour

We are allowed to deduct the \$600 that we paid to Alex Hill and Austin Johnson. The committee agreed that we should deduct this amount.

Which brings the totals to;

Cody Godbey.....\$ 520.00
Alex Hill.....\$ 3360.00
Austin Johnson.....\$ 3360.00

For a total expenditure of \$ 7240.00

We need to get any equipment back that may or may not still be out.

McCormick stated that he is officially over the administration of the Police department at this time.
