MASTERS-SJUMC BROCHURE 2014

 **San Jose United Methodist Church**  
*Embracing the Journey ... Seeking God ... Finding our way together.*

The San Jose United Methodist Church is a place where multiple generations worship and grow in their faith together. A variety of music blends old and new traditions. Experiential worship services invite and allow us to enter God's presence as we celebrate the sacraments and other time honored "means of grace" in new and exciting ways.

We encourage one another to love God, love others, serve in God's Kingdom and reach out to all who seek to know God.

Today, we open our hearts and doors and invite you to join us as we seek to faithfully celebrate the grace and love of God!
