10:00 AM

POLICE COMMITTEE MEETING

NOVEMBER 19, 2013

Meet with the Mayor of Emden-Mutual Aid Agreement for Police Protection

Meeting began at 10:30

Present was Chief Cupi, Chairman Coon, Nolan and Mayor Skelton.

Chief Cupi reported that the Mayor from Emden had forgotten the meeting therefore he did not appear but would be in contact with us at a future time for a new meeting to be called.

Cupi asked Mayor Skelton about a paper that needed to be signed from the Training and Standard board. This will be taken care of later in the day.

Cupi then discussed with Mayor Skelton about the day in which the individuals that were involved in the tow issue were contacted. The conflict regarding paying the monies back to these ladies had created an issue. There were concerns and miscommunications pertaining to paying the money back and the amount in which the tow bill totaled. Cupi and Skelton discussed this concern. There was an explanation about the emergency amount which is allowed for approval (\$500 or less) without board approval. There was an understanding that communications in the future need to be brought to more members of the council before moving forward. Cupi pointed out that the only reason she had called the individuals involved was on the direction of Mayor Skelton. Mayor Skelton apologized for the incident.

There was a brief discussion pertaining to the search for a juvenile that was conducted in the village on the previous day.

Meeting concluded at 11:00 am.

Recorded by:
Stacy Coon
Village Clerk
