Police Committee Meeting

Meeting called to order at 10:10 am by Chairman Coon.

Attendees: Chairman Coon, Trustee Nolan, Chief Cupi and Sergeant Spickard

Maria explained the situation that San Jose is currently looking at for police coverage in the Village of Emden and explained the current and newly hired officers for the village.

Maria presented Arnold Collier, Mayor of Emden with the packet proposal for police coverage in the Village of Emden. Cupi covered the highlights of the packet proposal. Cupi explained that cost for services could be looked at and worked out in the future. Cupi pointed out that a potential contract example (Deer Creek- Goodfield) was presented. Example contract showed a year to year contract that could be canceled at any time. Cupi explained how taking calls could potentially happen. There was a discussion about fine monies received and liability incidents. Call statistics that had been obtained from Logan County by Sergeant Spickard, through FOIA request, was reviewed and discussed. Potential shift hours were discussed. Cupi showed a copy of what a monthly Police report, which is submitted at the monthly board meeting, looks like. Cupi explained some of the equipment and capabilities in and on the squad car/police station.

Mayor Collier explained that he would take the proposal to his town council. Their next council meeting is January 13, 2014 at 7:00pm. Mayor Collier explained that there is no guarantees, no timeframes known. Collier asked for the Police Commissioner to potentially attend the February 2014 Emden town council meeting.

Sergeant Spickard explained how the Sheriff's office in Logan County takes and runs calls. The differences between Mason and Logan County processing were discussed and the new ordinance citation sheet was reviewed.

There were discussions pertaining to growth of both villages. The call statistics were looked at again. Sergeant Spickard will look into these stats for further clarification.

There was discussion about tax caps in both Logan and Mason County.

Issues with municipal funding were discussed.

Meeting ended at 11:28am.
