

VILLAGE OF SAN JOSE
CLOSED SESSION POLICE MEETING
September 19, 2022

Entered closed session per 5ILCS 120/2 (5) (4) @ 8:05 pm,

Employee Handbook discussed during regular board meeting.

Kim Albers reported the water line to McGinnis property runs thru Clark farm property and the diameter of the line is unknown. There is no existing easement thru Clark property. Kim is optimistic that Recon will secure an easement on the east side of the property and will cover the costs of legal fees and water line installation. It is a possibility that the village may have to take responsibility for rerunning a new water line to the McGinnis property.

Trustee Allen made motion to return to open meeting at 8:16 pm, 2nd Trustee Tillquist, roll call: Allen yea; Price yea; Blackstock yea; Cross yea; Tillquist yea; Nolan yea; Tillquist yea; motion carried 6 yeas.
